

THE DISSOCIATIVE DISORDERS ALLIANCE

The Dissociative Disorders Alliance (The DDA) is recruiting a Treasurer to its board of Trustees. Are you a person with lived experience of a complex dissociative disorder, an ally (anyone who is a friend or supporter of a person or persons with lived experience) or a practitioner in the field (anyone that works in a professional capacity with people with complex dissociative disorders)?

Would you be interested in volunteering with this emerging charity to develop a format for financial reporting, financial policies and bookkeeping solutions? This will be in keeping with The DDA's vision of an improved quality of life, healing and recovery for those living with a complex dissociative disorder. If this role interests you we would love to hear from you!

You do not need to have previous experience of being a Trustee or working within a charity, but we are ideally looking for an accountant, retired accountant, part qualified or qualified by experience accountant.

This role can be taken on on its own, or in combination with the bookkeeping role that The DDA is also looking to fill.

It is important to The DDA, that our Trustees are a diverse group of people who represent our community. This means that we endeavour to welcome and include people from all of the protected characteristics of the Equality Act 2010, including the many intersections of these that can be experienced by people with a complex dissociative disorder.

If you would like to express your interest in the role and get more information about it and how to apply please email The DDA's Trustees at theddaglobal@gmail.com by 20.7.25.
